

354 FSS Pioneer Start Info Fair Guidelines

Wing Pioneer Start

Airman and Family Readiness hosts a welcome briefing every month in the Yukon Club Sportsbar. This briefing is a requirement for new Airmen just arriving to Eielson AFB. Spouses are encouraged to attend. Due to the influx of military personnel, some months are starting to have 2 scheduled dates.

FSS Info Fair

The information fair is held after Pioneer Start concludes in the Yukon Club Ballroom from 10-11 a.m. with set up at 9:30 a.m. Tables are lined up throughout the room for attendees to walk around, ask questions, gather information about services on base, and learn about other resources available in the local area.

Information Booths

The FSS Info Fair consists of FSS activities, wing agencies, private organizations, and sponsors.

Sponsors

Local businesses can attend and set up informational booths as an FSS Info Fair Sponsor. All sponsors must be coordinated through the FSS Marketing Office. The price per date is \$50. Once we have your dates, a Commercial Sponsorship Agreement will be developed for signature and payment prior to attending.
